## CAREER SUMMARY

Frontend Developer with 3 years of experience in developing custom web applications and responsive websites. Specialized in creating high-performance, fast-loading, and user-friendly interfaces using HTML, CSS, JavaScript, jQuery, React.js, Bootstrap, and Laravel. Experienced in collaborating with teams, delivering scalable solutions, and ensuring the best user experience across all devices.

## WORK EXPERIENCE

**Eze Technologies** Frontend Developer (Present) 2024 – 2025

- Led the complete frontend development of EzeAD.com with a modern, responsive design.
- Built core sections (homepage, listings, categories, ads, search) with scalable and clean code.
- Integrated Laravel backend for dynamic and easily manageable content.
- Optimized performance, accessibility, and SEO for faster loading and better user experience.
- Standardized global components (header, footer, navigation) for consistent branding.

**EvonicSoft, Lahore** Frontend Developer 2023 – 2024

- Worked as a Frontend Developer, developing multiple responsive websites for clients.
- Promoted as Team Lead, managing junior developers and ensuring timely project delivery.
- Built multilingual websites (English, Arabic, French) with mobile-first design.
- Improved code efficiency and asset management for faster load times and better SEO.
- Delivered projects with ThemeForest-approved code structure, ensuring clean and scalable development.

**Devsyntrix Private LTD** Frontend Developer 2022 – 2023

- Worked as a Frontend Developer on multiple project-based assignments.
- Developed responsive websites and web applications using HTML, CSS, JavaScript, Bootstrap.
- Collaborated with backend teams to integrate APIs and ensure smooth functionality.
- Delivered clean, maintainable, and optimized code within strict deadlines.
